AGENDA ITEM SUMMARY**

Meeting Date: November 16, 2005

Division: Fire Rescue

Bulk Item: Yes X No

Department: Emergency Management

Staff Contact Person: Irene Toner

AGENDA ITEM WORDING: Request approval of Transportation Agreement Amendment dated November 10, 2005 between Monroe County and JGT Transportation, Inc., executed by Irene Toner for Tom J. Willi, extending initial agreement dated October 29, 2005 between Monroe County and JGT Transportation until further notice.

ITEM BACKGROUND: On April 7, 2005 JGT Transportation and Monroe County entered into a Memorandum of Understanding (MOU) to provide Emergency Transportation Capabilities in the event of a declared disaster in our County. JGT provided assistance during Hurricane Wilma evacuating residents and taking them to the FIU shelter. While the County was under a declared State of Emergency for Hurricane Wilma, an agreement was entered between Monroe County and JGT Transportation, Inc., executed by Irene Toner for Tom J. Willi, dated October 29, 2005 providing for free transportation starting October 31, 2005 until November 14, 2005 to assist residents that suffered vehicle losses during the Hurricane Wilma surges. The ability of providing transportation to our residents as well as the business community provides significant assistance to our recovery process. More time is needed for the recovery process than originally anticipated, including this transportation service, therefore we are now requesting approval to extend agreement until further notice.

PREVIOUS RELEVANT BOCC ACTION: None.

CONTRACT/AGREEMENT CHANGES: Expiration date extended from November 14, 2005 until further notice.

STAFF RECOMMENDATIONS: We strongly request our Board of County Commissioners approval of this service to our residents in much need at present. The City of Key West is providing a similar service to their residents until further notice. We applaud such initiative.
